Resume

As a Multimedia Engineer I have been part of multi-disciplinary teams on different projects such as Web sites, Chabots, Bots and In-House Software. Every Project was challenging and involved me a change of rol on each part of the road: From Ful-Stack and Front-End to RPA and DevOps.

All of these projects were built up using tecnologies like VB, Python, NodeJS, .NET, HTML, CSS, Javascript, DBs, GIT and Azure DevOps.
